6th January 2026

Dear Parents/Carers

Zoolab – Year 6
Monday 26th January 2026

Dear Parents and Carers,

We are delighted to let you know that **Year 6 children** will have the exciting visit from Zoolab at school on Monday 26th January.

During the visit, the children will listen to an expert and learn about the process of evolution and Charles Darwin. The 75 minute workshop will explore concepts such as 'adaptations', 'mutations', 'natural selection', and 'inheritance' and discuss how fossils can help us understand the evolutionary journey. The children will also have the opportunity to hold some exotic animals should they wish to.

Some of these animals may include: Corn Snake, White Tree Frog, Gerbil, Giant African Land Snail, Giant African Millipede, Madagascar Hissing Cockroach, Leopard Gecko, Indian Stick Insect, Chilean Rose Tarantula, Asian Forest Scorpion.

More information can be found on their website: www.zoolabuk.com/education

This visit is a fantastic opportunity to enhance our Science learning and build on the learning in the classroom.

Date of Visit: 26th January 2026

Location: School hall

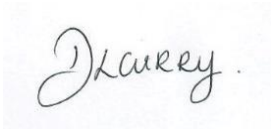

Cost : £9.98

Please provide permission for this event and make payment using the Arbor app.

We are really looking forward to this special event and are sure the children will come away full of enthusiasm and wonder about Evolution.

If you have any questions, please don't hesitate to get in touch.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'D Curry', on a light blue background.

Mr D Curry
Deputy Headteacher
